

祝讀者們農曆新年快樂

北美 凌風馬

我們度盡的年歲，
好像一聲嘆息，
轉眼成空，
我們便如小鳥飛去。

農曆一年又將過去了，
數算過去一年中神所給你，
與我的恩典怜悯，
相信我們心中便會充滿**對祂的感恩**。

在這嚴冬之際，
祝讀者們農曆新年快樂！
身體健康！

We finish our years
Like a sigh :
Gone into the air,
We just like the birds fly.

A year has passed
Count the past year :
God gave us His mercy and grace,
I believe our hearts are full of gratitude to Him.

In this winter the occasion,
I wish you Happy Lunar New Year and good health !
Sincerely wish you in the new year,
All the expectations can be !
